Beach Towel Collection

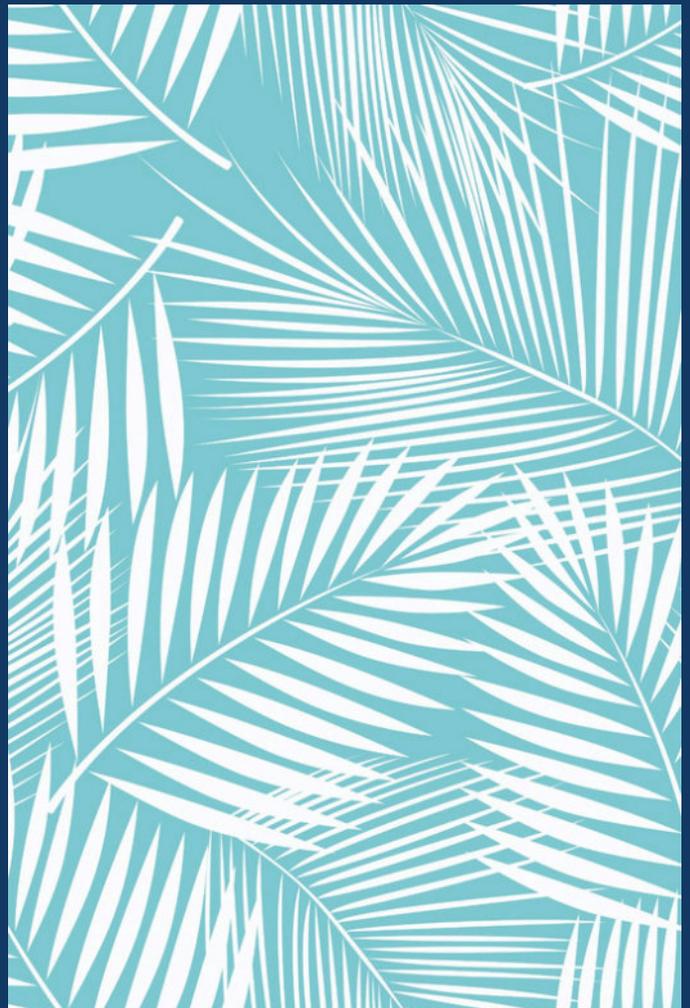

www.rosehantrade.com

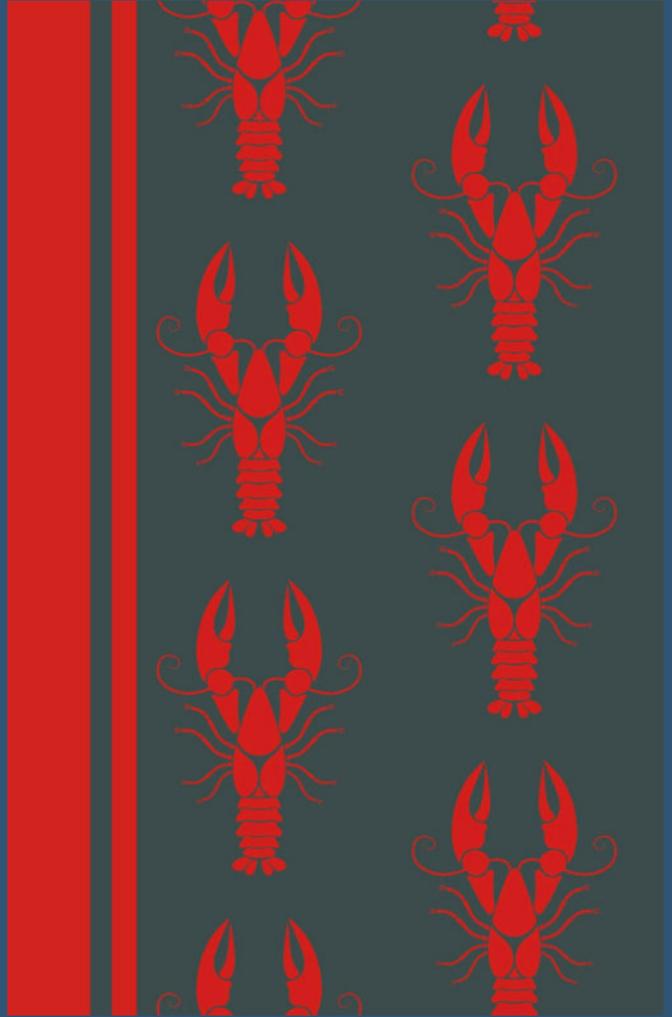

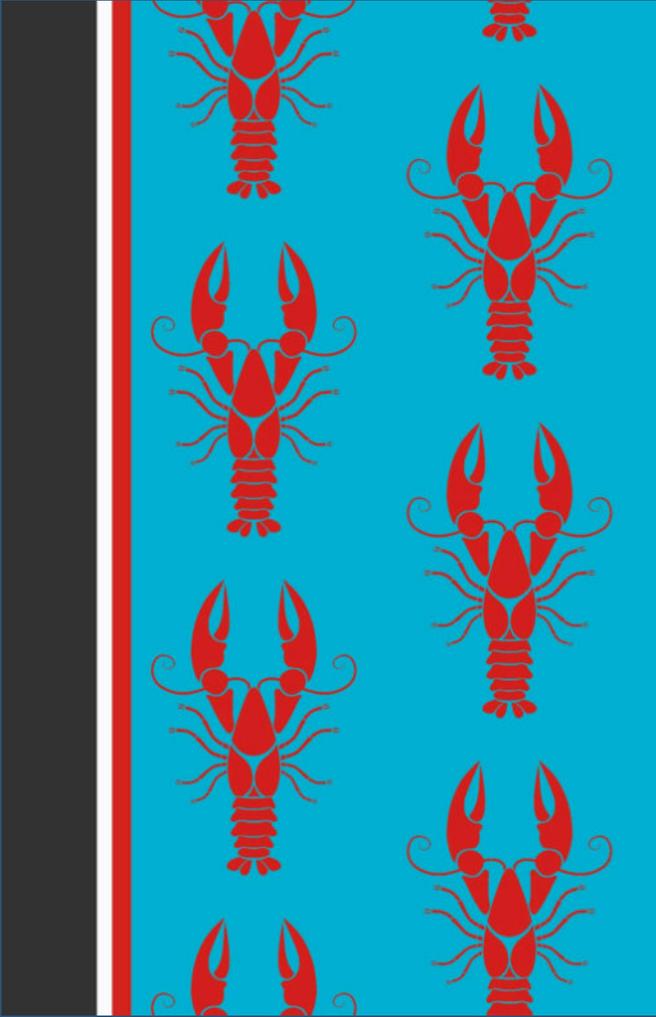

A collage of nautical-themed items. A white rope net is draped over a bright blue background. A dark, patterned seashell is visible on the left. A large, vibrant red starfish is on the right. A portion of a white and red lifebuoy is at the bottom. The text is overlaid on a semi-transparent grey box in the upper left.

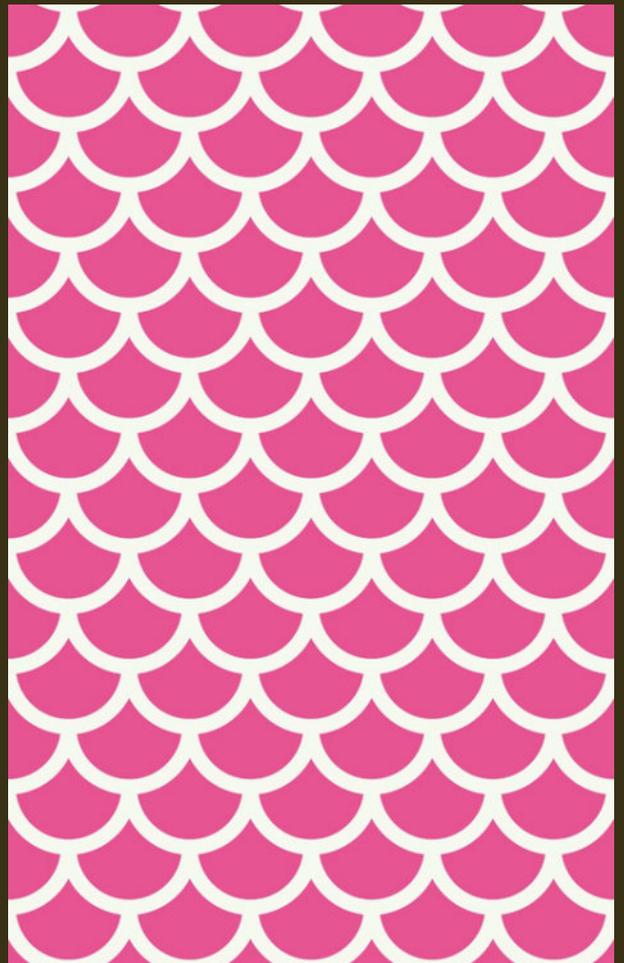

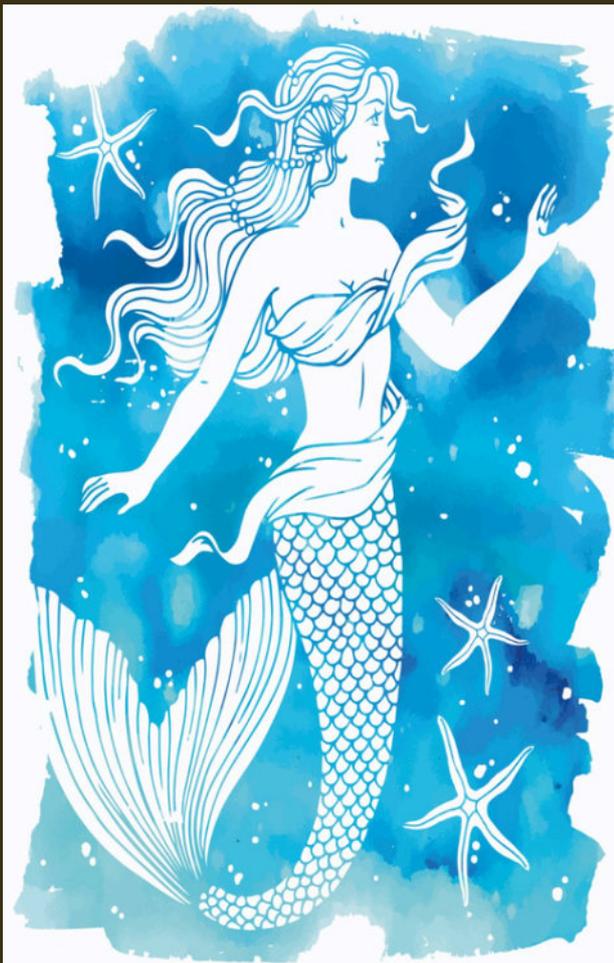

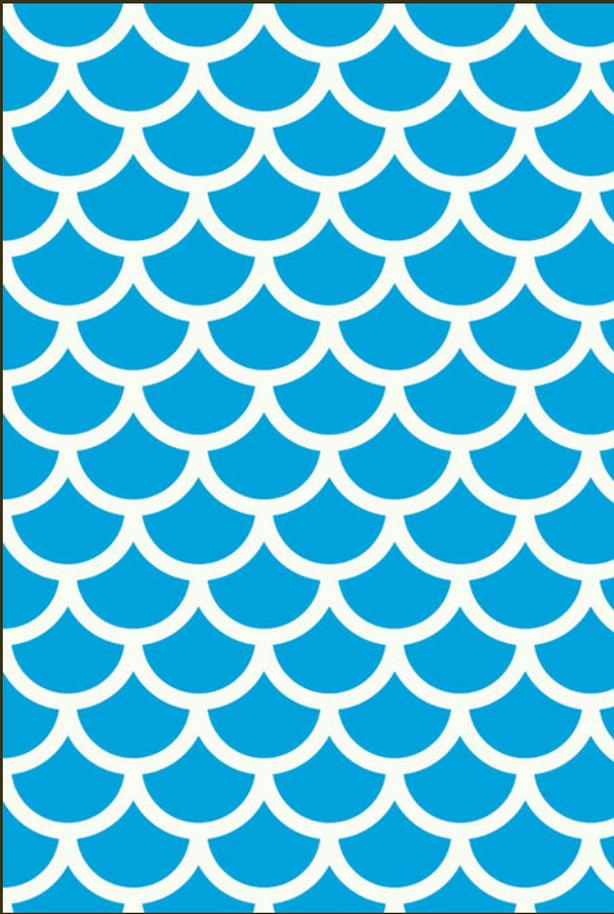

Natural textures, ocean-found elements, and soft coastal hues evoke a timeless beach aesthetic. This theme reflects authenticity, craftsmanship, and nature-inspired design.

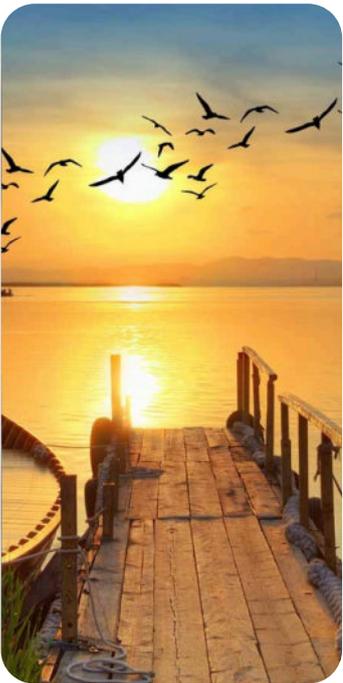

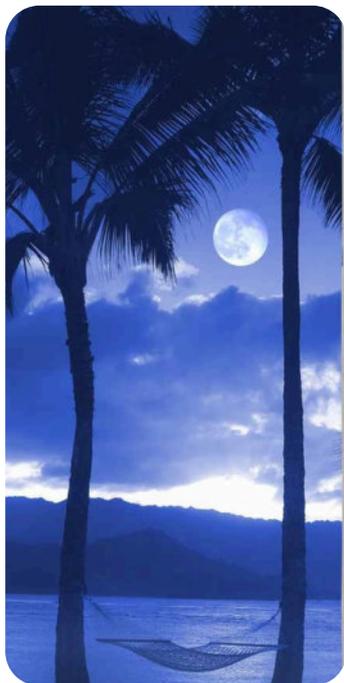

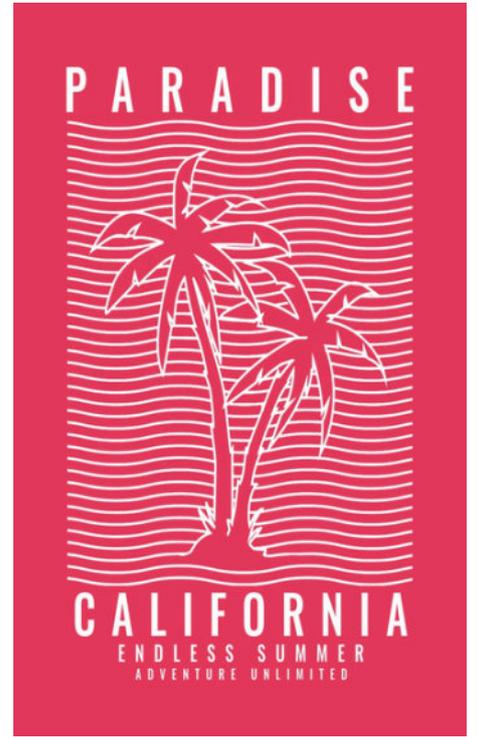

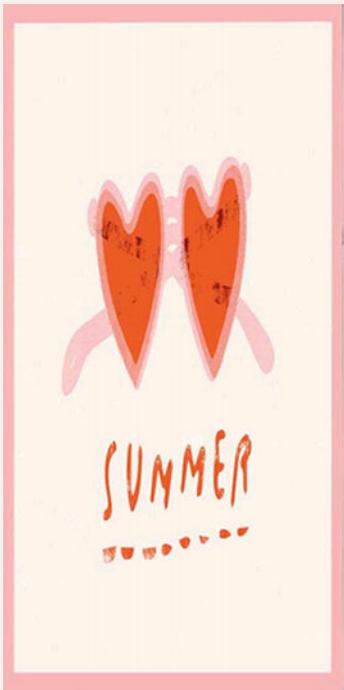

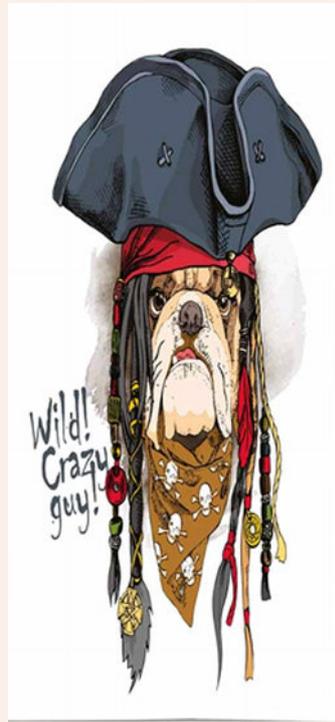

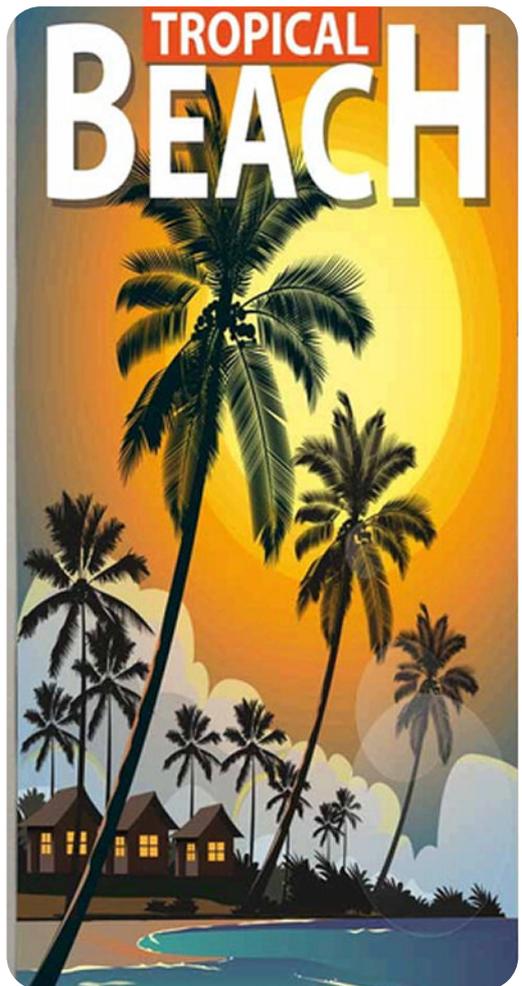

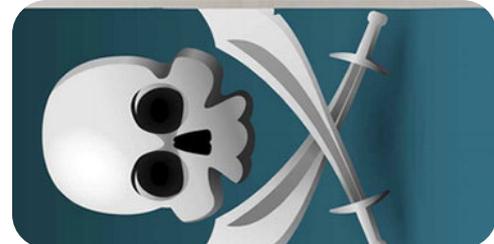

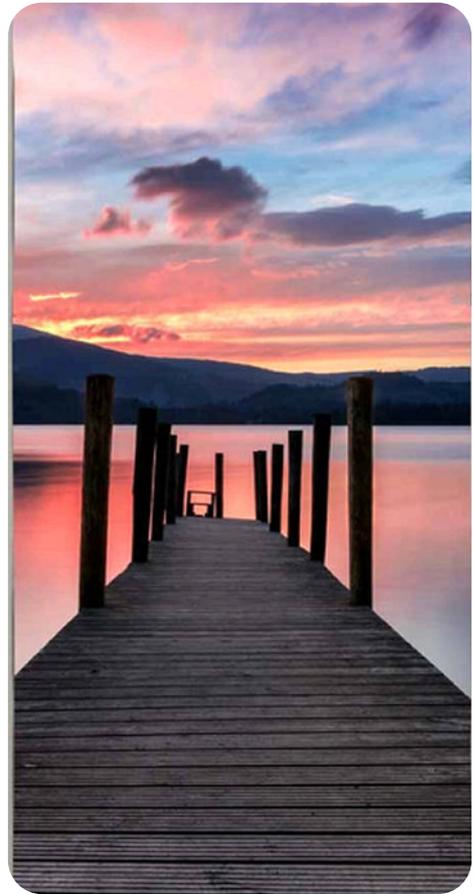

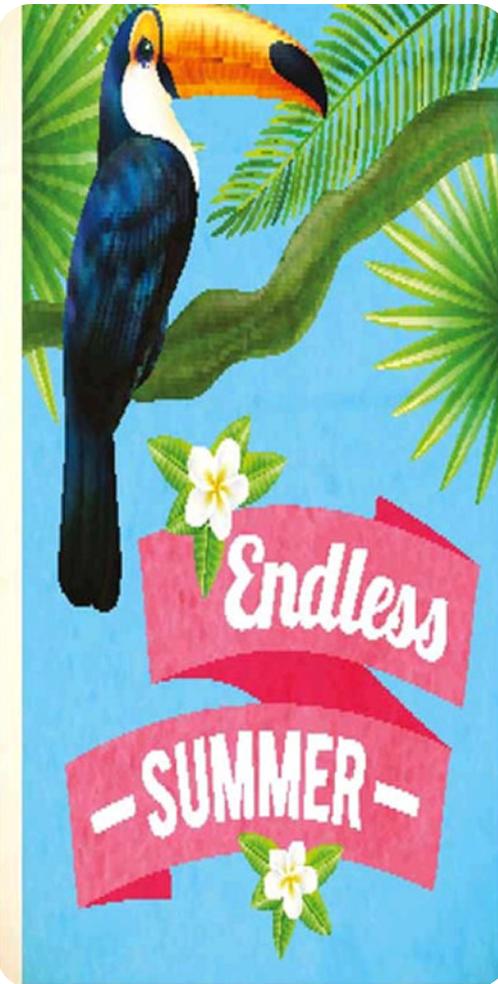

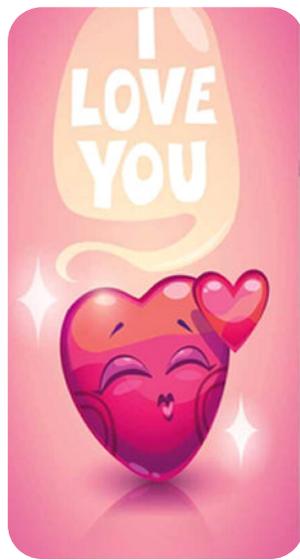

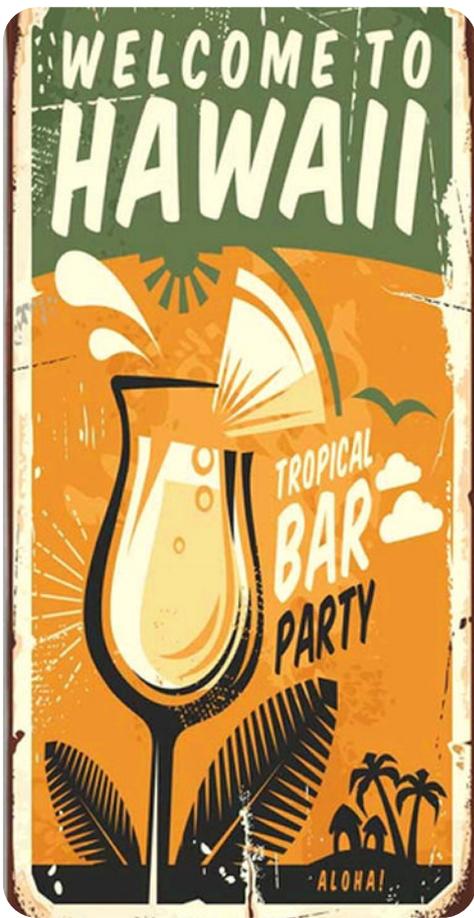

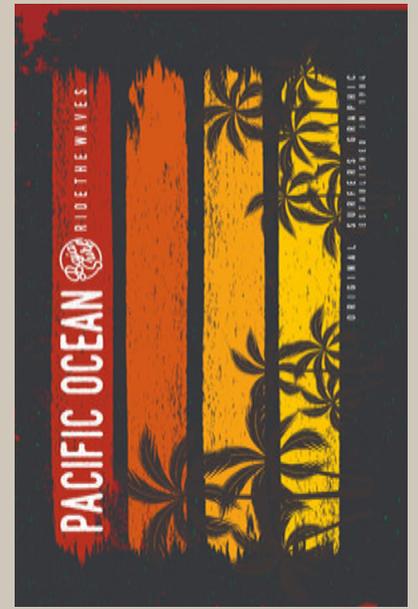

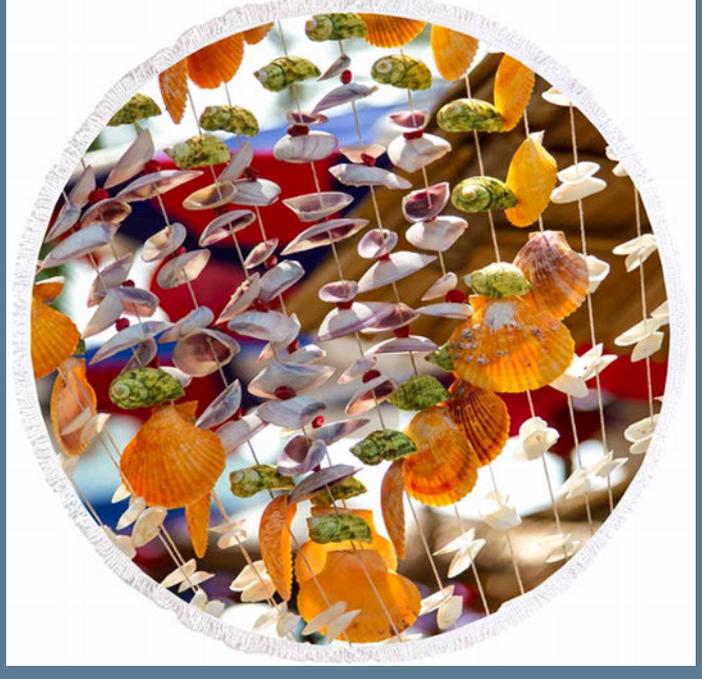

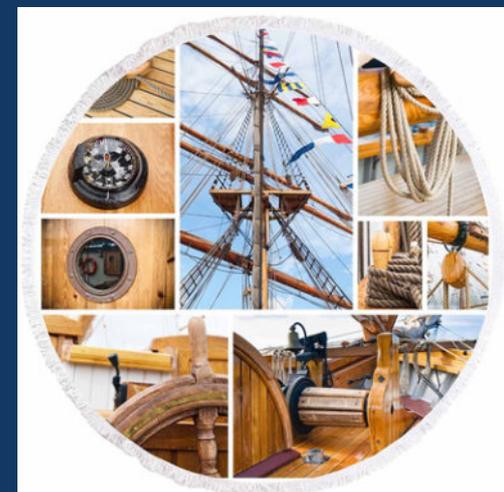

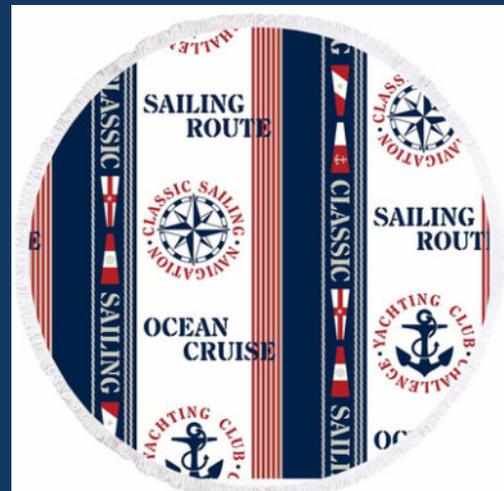

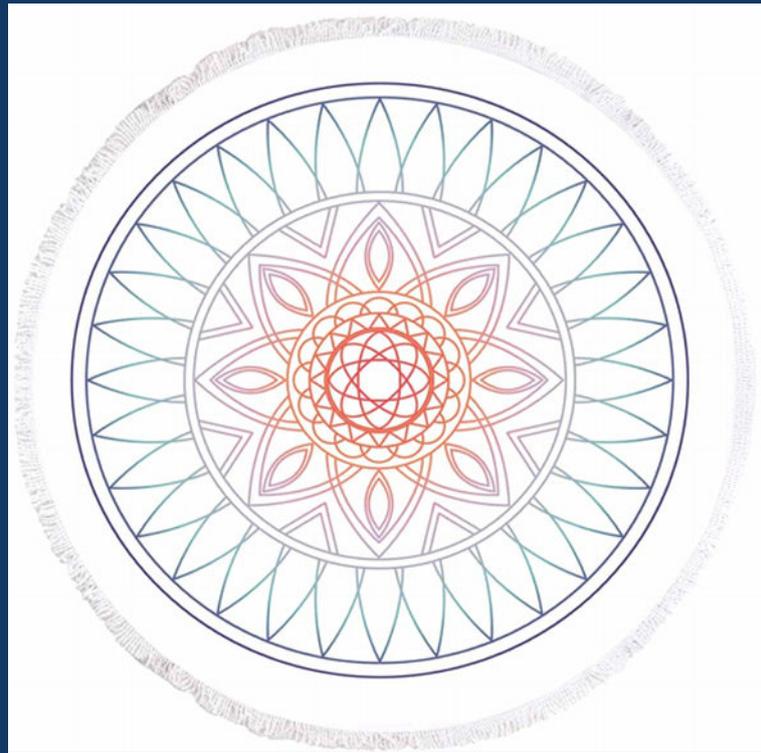

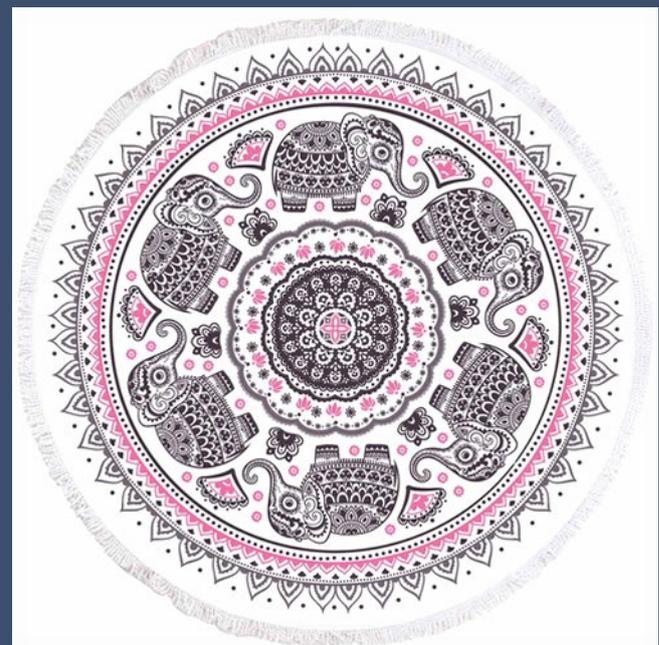

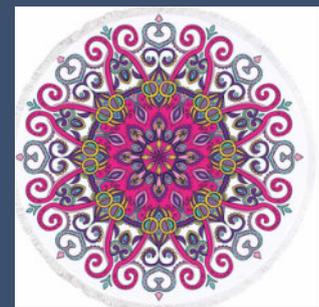

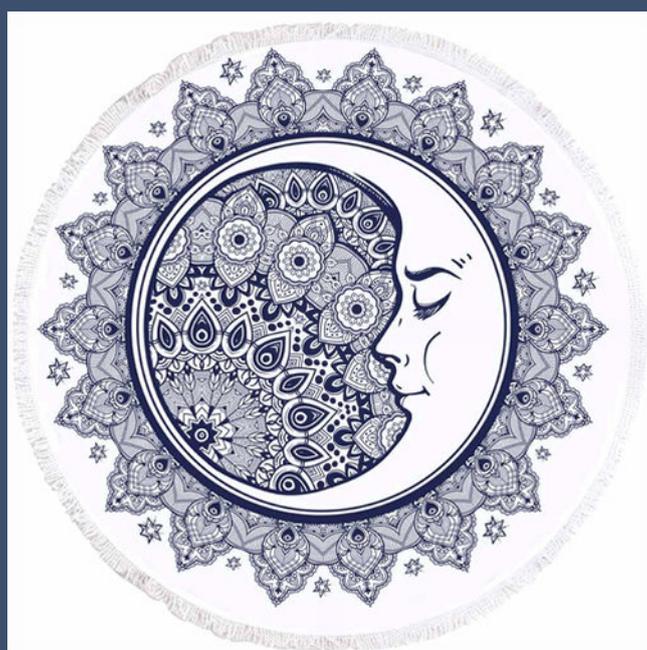

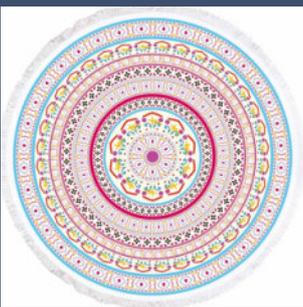

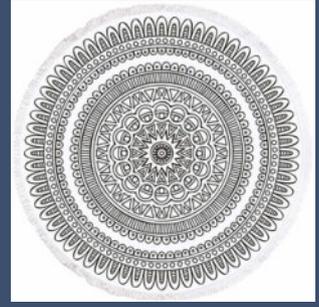

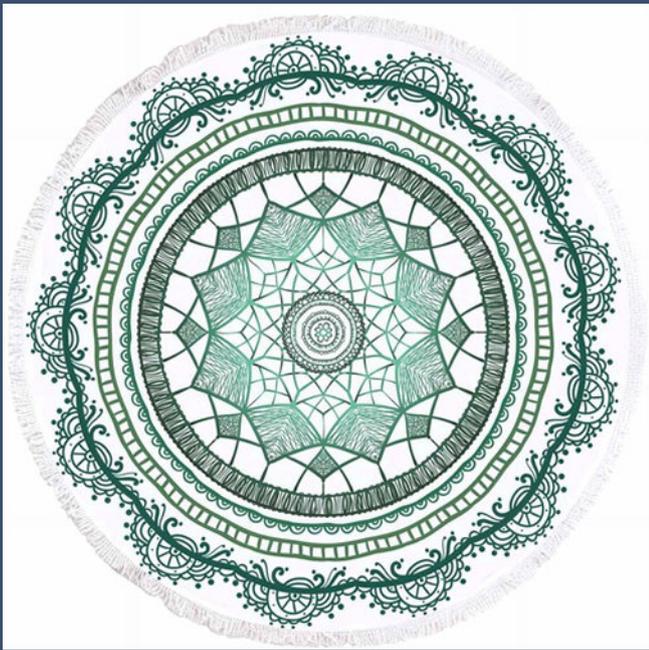

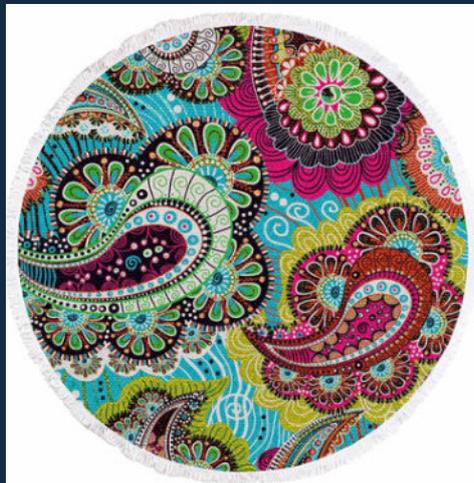

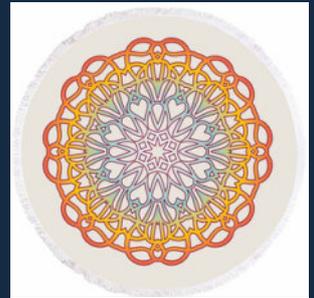

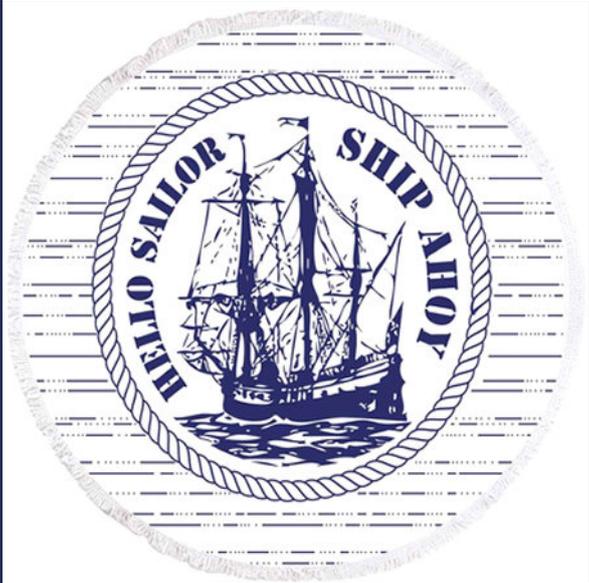

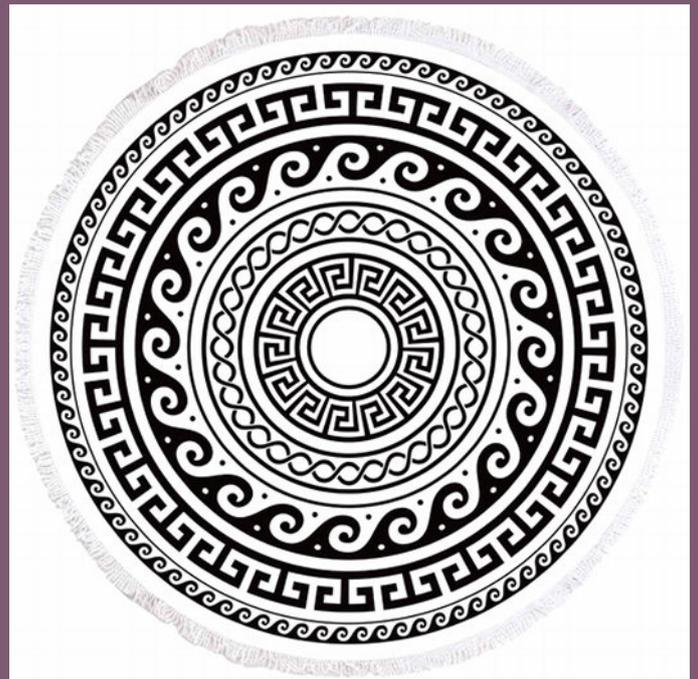

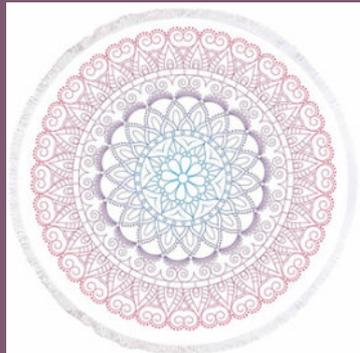

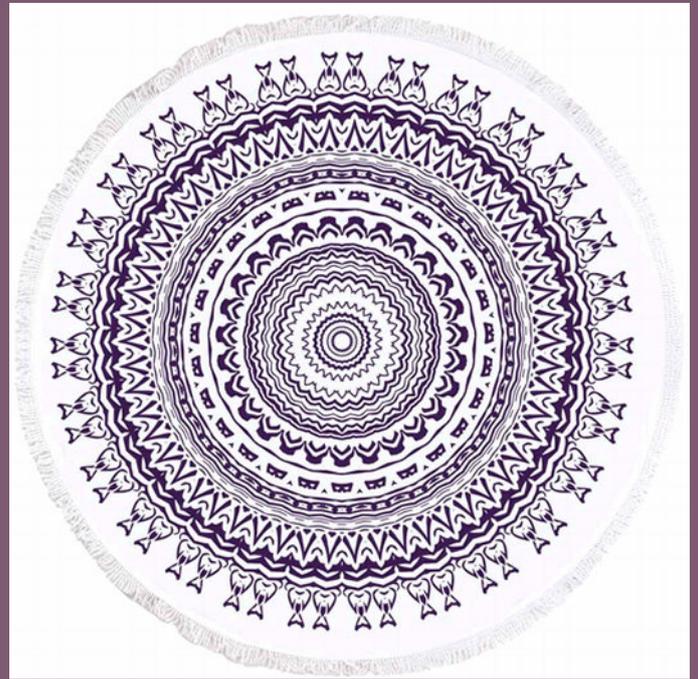

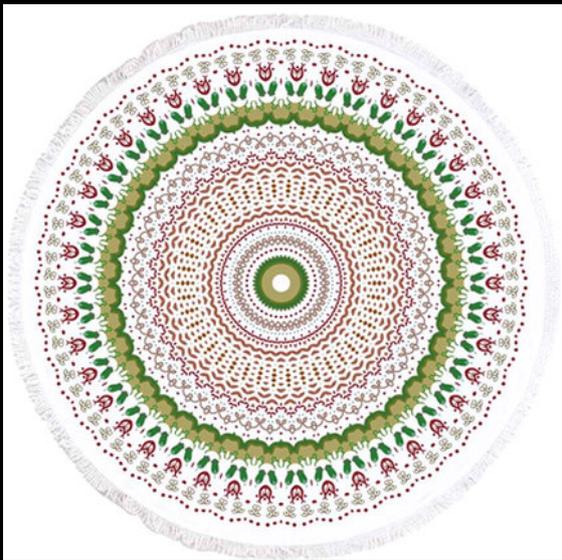

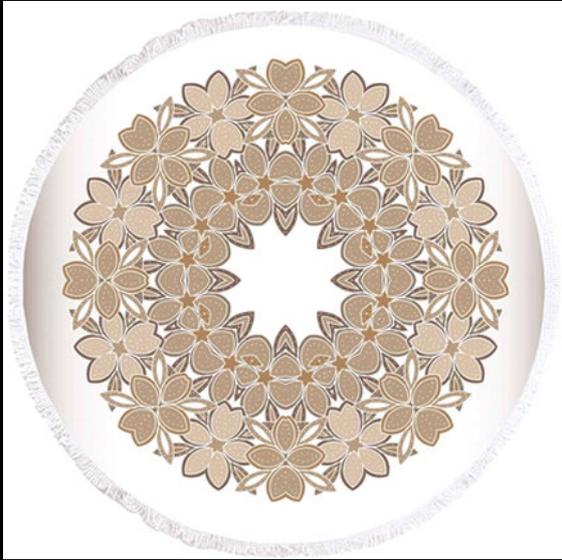

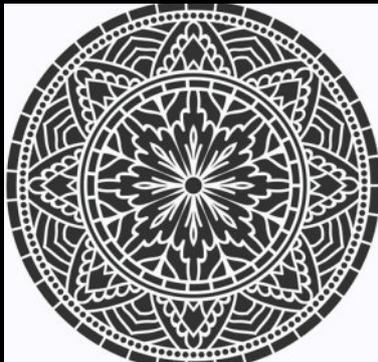

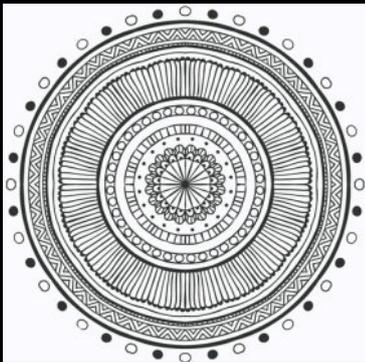

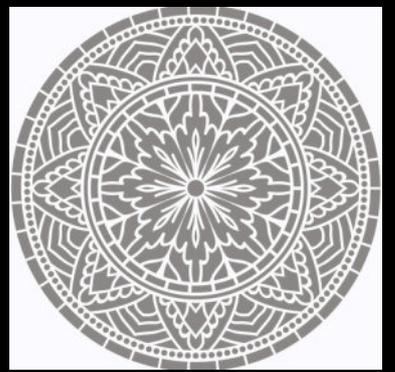

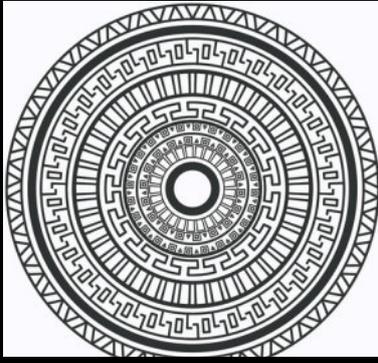

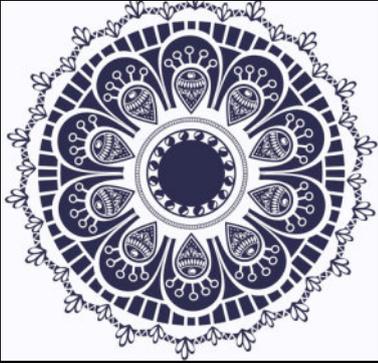

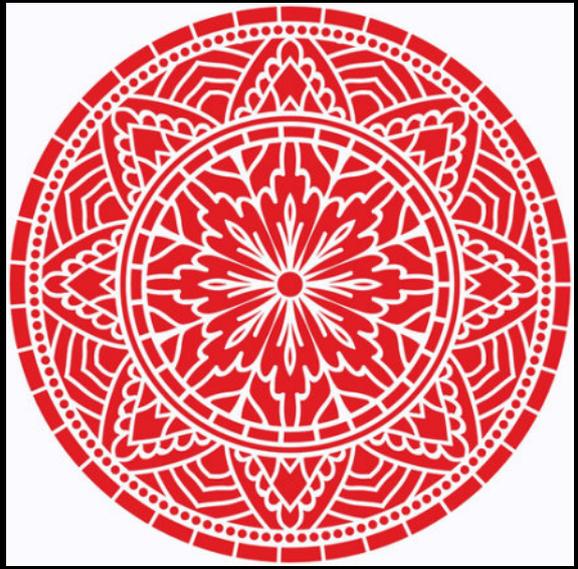

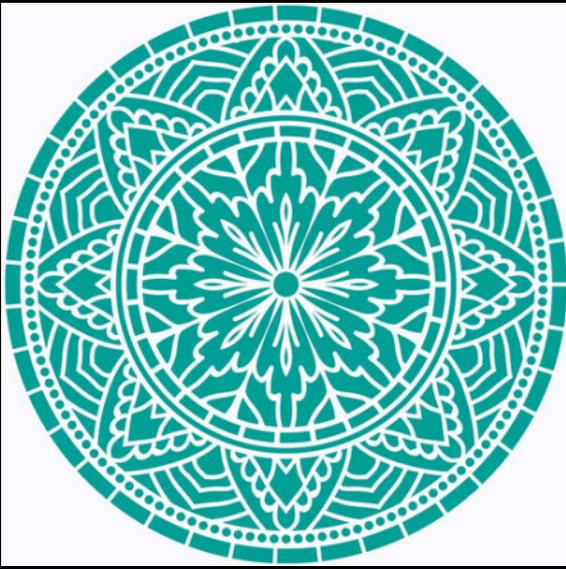

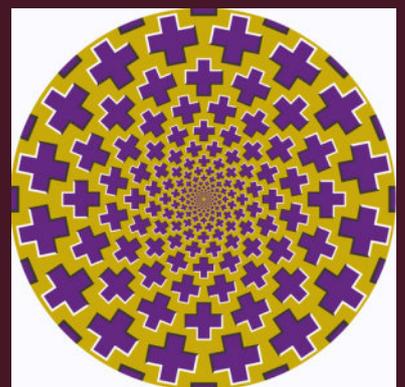

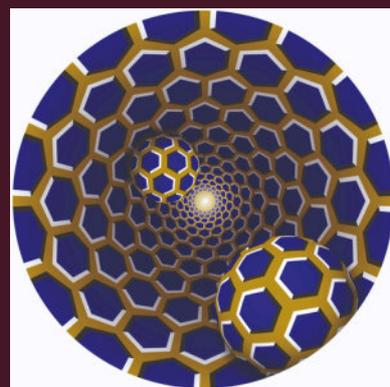

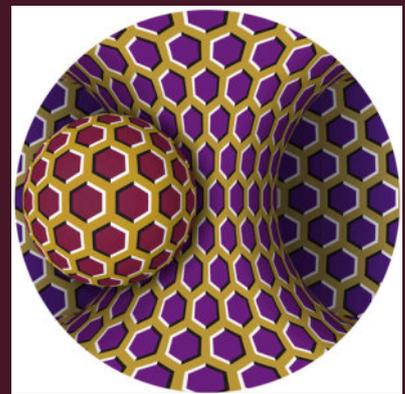

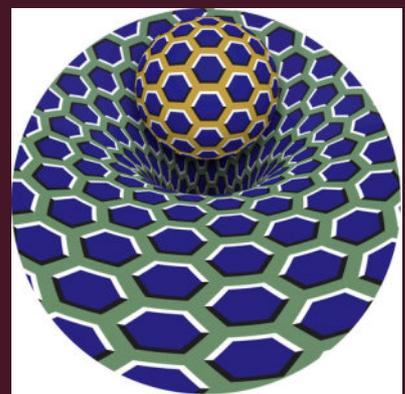

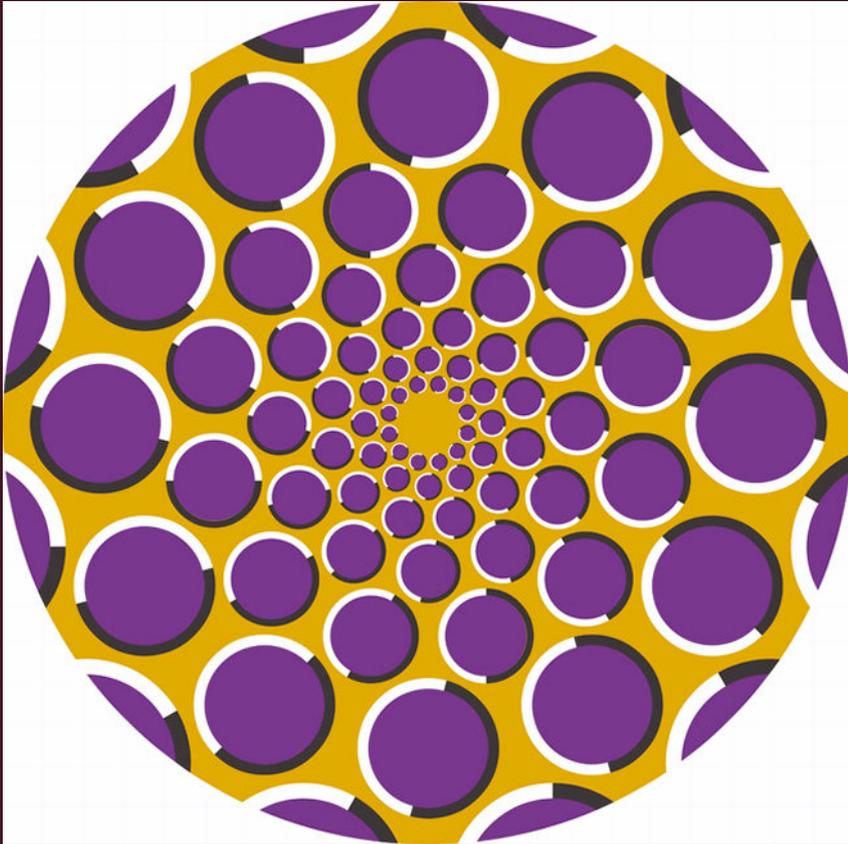

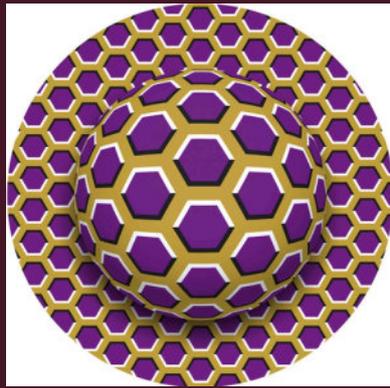

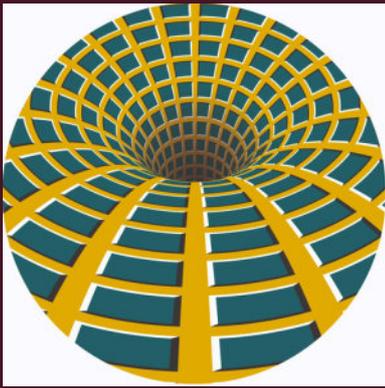

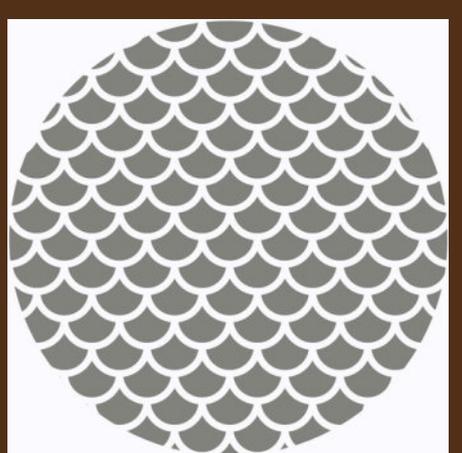

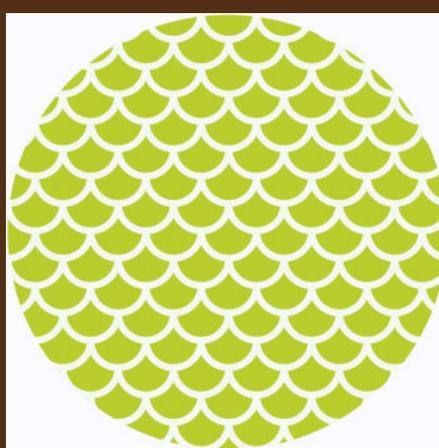

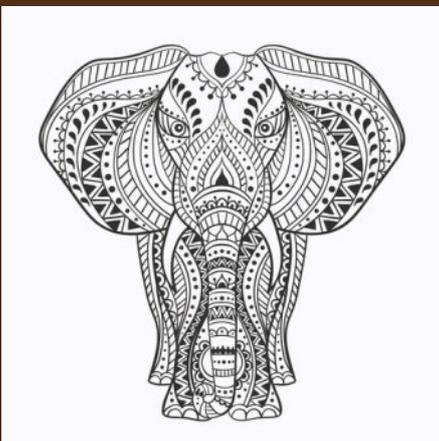

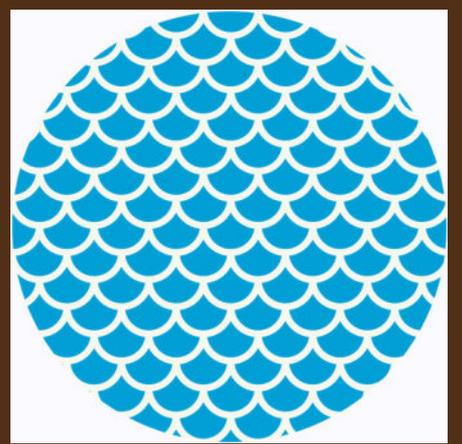

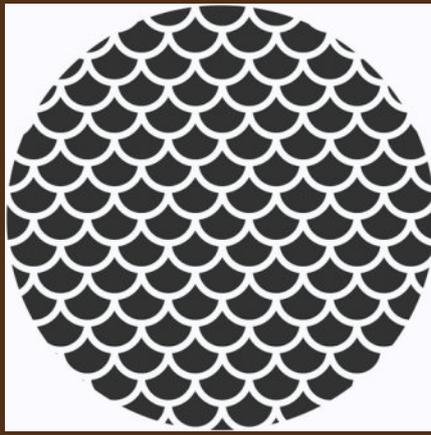

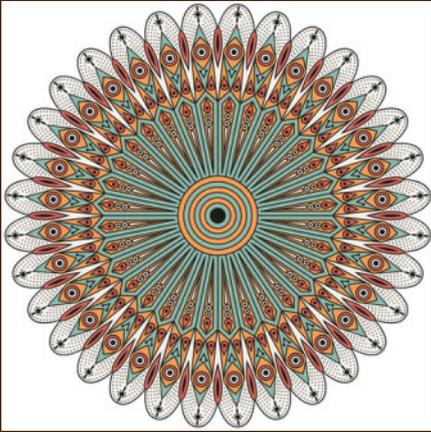

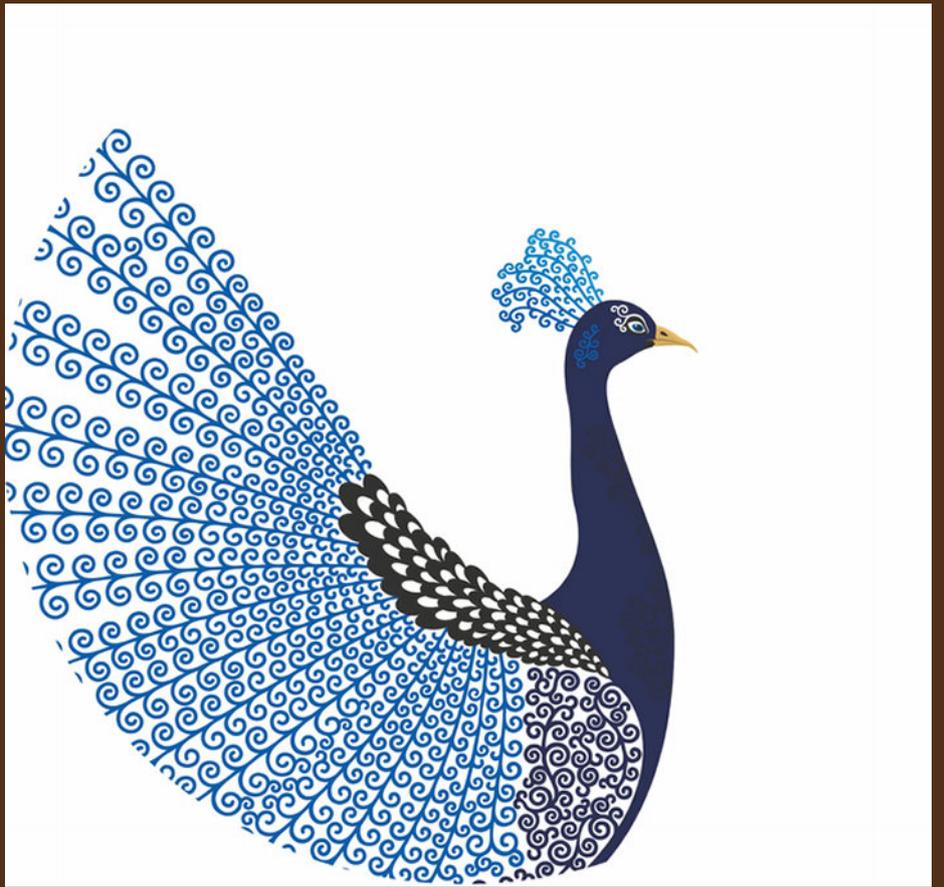

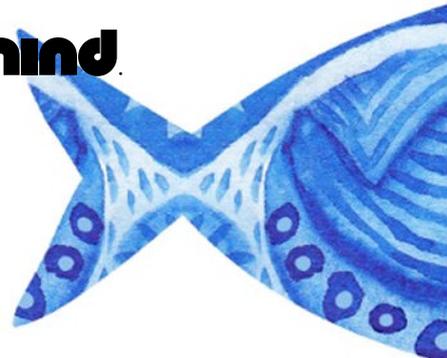

**Inspired by the sea, created for summer, and
finished with comfort in mind.**
